Indicate your top 3 preferences.

_____ **6th grade Band**

Students enrolled in the concert bands students will not only learn how to play their instrument (alone and as an ensemble), but they will learn about the different characteristics used to create the music and how to apply these characteristics in a performance setting. DECS band students are expected to spend 20 minutes each day practicing their rehearsal/lesson assignments and concert music. Weekly group lessons are provided and concert participation is expected.

_____ **6th grade Choir**

Choir is an ensemble-based course in which students must work together as a team to develop their vocal skills. In choir, students will work on singing with proper vocal technique, develop rehearsal skills, learn how to read music, and improve ear training skills. Each student will develop independent singing and reading skills to attain a high level of musicianship and confidence. Students will explore a variety of styles of music, including world music, art songs, contemporary music, and pop music. Weekly lessons are provided and there will be two mandatory performances each year.

_____ **6th grade Music Appreciation**

Music appreciation is an extension of music class in the elementary grades. Students sing, discuss, complete projects, and play classroom instruments (world drumming, ukuleles, Orff instruments, etc.) to learn about musical elements, styles, time periods and composers. Students do not perform in formal school concerts.

_____ **6th grade Spanish**

The 6th grade Spanish course will introduce students to the basics of the language and culture. The learning objectives include familiarizing students with vocabulary that enables them to talk and write about themselves and their world. Students will study the culture to better understand the Spanish speaking people and their customs, while incorporating reading and listening skills.

_____ **6th grade Art**

In this traditional art class, students will create art in a variety of mediums including drawing, painting, collage, paper mache, plaster, clay, ink, fibers, media arts and more. Projects in middle school are structured around theme based units with a cultural component and/or focus on personal expression. It is important that students are engaged and participating in the planning, creating and reflecting processes of their work. Students will have a specific focus on the elements and principles of art. Students will learn artistic techniques, concepts, vocabulary and critical thinking strategies.
