

**2017-18 World's Best Workforce Goals
And
School Improvement Plan (SIP)
Duluth Public Schools Academy dba
Duluth Edison Charter Schools**

All Students Ready for School

During 2017-18 the school will conduct early childhood screenings on all students enrolled for kindergarten in the 2018-19 school year that were not previously screened in another district and use this data to plan for needed interventions.

All Students In Third Grade Achieving Grade Level Literacy

The percent of third grade students who score proficient or exceeds on the reading MCA will go from 53.5 percent in 2016-17 to 58.5 percent in 2017-18.

Close the Achievement Gap(s) Among All Groups

Growth of at least three percent from 2016-17 levels will occur in 50 percent of the school's reportable subgroups on the Minnesota Comprehensive Assessments.

NOTE: Goal in 2016-17 was aimed at meeting MDE targets that were five year targets. This goal is more meaningful in steps toward the long term target.

All Students Career and College Ready by Graduation

During the 2017-18 academic year, grades six through eight students will complete the Ramp Up to Readiness rubric in each grade level. The rubric measures self-management, effort and persistence, and academic beliefs.

All Students Graduate
