Dear Families of Duluth Edison Charter Schools,

Here at St. Louis County we recognize that during Covid-19 it may be difficult and we want you to know that we are available and here for you. Due to guidelines, we are unable to be at public functions and are uncertain when our buildings will open back up to the public; however, we wanted to reach out and let you know that our services are here. We have listed a few services that are most frequently used.

You may apply online or you may contact the phone number which corresponds with your family needs to have an application mailed to you. If you do not see information on this list for that need please contact the information line and we will do our best to direct you and provide you with the help you are in need of.
