Restrictive Procedures Plan

In accordance with Minnesota Statute 125A.0942, Subd. 1, every school district is required to develop and make public a plan that discloses its use of restrictive procedures. The plan specifically outlines the list of restrictive procedures the school intends to use; how the school will monitor and review the use of restrictive procedures, including post use debriefings and convening an oversight committee; and a written description and documentation of the training and staff that have completed the training.

Duluth Edison Charter schools (DECS), 4020-07, will comply with said law and review procedures to ensure compliance on an annual basis. The special education coordinator is responsible to ensure this review occurs.
