

Effective Date: 8/16/12	500-27 Blood Borne Pathogens Policy
Revision Date:	Approved by: DPSA Board
Last Review Date: 3/18/21	

Each DPSA school will have readily available the School's Blood Borne Pathogens Exposure Control Plan.

These guidelines are intended to provide simple and effective precautions against transmission of disease for all persons potentially exposed to the blood or body fluids of any student.
