### **DECS Legacy Fund Update**

Dawn Silvestrini, DECS Legacy Fund Chair, and Amber Lightfeather, DPSA Board liaison to the DECS Legacy Fund Board, provided an update -- Starting a GoFundMe page, looking for local businesses to match donations, and doing a variety of different fundraisers.

### **Hall of Fame Presentation**

For Paul Goossens, when? Sometime after the Snowflake project is completed as part of the ribbon cutting ceremony. Date would then be pending completion (Sept/Oct?).

Need Hall of Fame Declaration written (Bonnie would write this, with board approval), video made. Events would need to be coordinated by the board.

Longer term representation of Hall of Fame recipients at school -- revisit how this is done, the visual monitor idea is not working

### **When to Consider In Person Meetings**

- After Governor lifts his executive order to declare an emergency
- After July 1, 2021
- **Committee recommends September after school starts**

### **DECS Standards Based Assessments and Reporting Plan Update**

Bonnie shared an updated plan outline. Adjustments have been made for K-5 science, K-5 social studies, and special education needs from the original five year plan.

### **Legislative Update**

Governor and legislative leaders have agreed on basic funding. Per information provided today by MACS the working groups will have to outline how they will spend it by end of day May 28 and on policy language by June 4. Special session June 14 will finalize, so some items could

change. Cautiously optimistic that the per pupil funding increase will be 2 percent from both MACS and lobbyist
