The Duluth Edison Charter Schools Board expects and has confidence that the professional staff will place students at the level best suited to them academically, socially and emotionally. Students normally will progress at a level commensurate with their achievement and/or social and emotional development. Students should remain as much as possible with their own age group for proper development. Duluth Edison Charter Schools favors a policy of enrichment for students rather than acceleration.

Acceleration of a student is permitted only after careful consideration of all factors and consensus of agreement by the Head of School, teacher, parent, student and a school or other consulting psychologist.
